Seating space is limited.  
**Please register w/ Tim  
at the contacts below.**

## PRODUCTS TO BE FEATURED INCLUDE:

### ECO STAIN™

A liquid semi-transparent water-based concrete stain for accent coloring on concrete floors and walls including overlays and cast concrete products.

### SURESPRAY™

A thin spray concrete overlay mix that can create and mimic many different designs and textures on concrete floors, driveways, sidewalks, patios and pool decks.

### XS PRECAST™

A commercial grade pourable cement based casting mix for concrete countertops, fireplace mantles, facades, shower surrounds, wall panels & many other architectural elements.

## ADDITIONAL FEATURED PRODUCTS & SYSTEMS:

- Veining and Coloring Techniques
- Topcoats and Sealers

## LEARN DIRECTLY FROM SURECRETE

This two day event will give you first-hand experience in the proper preparation of surfaces, selection of color combinations and application techniques for a variety of decorative concrete projects.

Your concrete countertops, fireplaces and furniture, concrete floors and walls, driveways, sidewalks, patios, pool decks, and many other architectural element projects will benefit from this training.
