## PRODUCTS TO BE FEATURED INCLUDE:

### ECO STAIN™

A liquid semi-transparent water-based concrete stain for accent coloring on concrete floors and walls including overlays and cast concrete products.

### BRIGHT KURE & SEAL

A high quality, 100% acrylic, non-yellowing cure and seal that promotes optimal curing and protection of colored, decorative and architectural concrete surfaces.

### XS PRECAST™

A commercial grade pourable cement based casting mix for concrete countertops, fireplace mantles, facades, shower surrounds, wall panels & many other architectural elements.

## LEARN DIRECTLY FROM THE PROS

Take advantage of this two day course which will give you a first-hand look at products for creating a variety of looks and textures on decorative concrete floors, countertops and other surfaces.

### Agenda Includes

- Surface Prep and Repair
- Decorative Overlays
- Epoxy Flakes and Metallics
- Stains and Colorants
- Sealers
- Precast Concrete Countertops
