TIME: 9:00am - 3:00pm
LOCATION: 1415 Llano Street, #101
 Pasadena, TX 77504

Registration is required.
 Seating space is limited.

Register w/Julie Salinas at the contact(s) below.

PRODUCTS TO BE FEATURED INCLUDE:

SURESTAMP™

A single-component, stampable concrete overlay that can be applied to existing cement to provide unlimited texture designs for pool decks, patios, sidewalks, and driveways.

ECO STAIN™

A liquid semi-transparent water-based concrete stain for accent coloring on concrete floors and walls including overlays and cast concrete products.

DK 400™

A commercial grade high gloss polyurethane topcoat for heavy duty, high traffic interior concrete floors.

ADDITIONAL FEATURED PRODUCTS/SYSTEMS:

- Concrete Overlay Systems
- Epoxy Flake and Metallic Systems
- Accent Colorants & Coloring Techniques

LEARN DIRECTLY FROM THE PROS

This free event will give you first-hand experience in the product selection, application and protection of your decorative concrete surfaces.

DAY 1 AGENDA - Application of overlays, epoxy metallic and flake flooring systems, staining and accent coloring techniques.

DAY 2 AGENDA - Review and discussion of previous day's work, and application of topcoats and sealers.
