

## SureCrete's Epoxy, Metallic & Micro Topping Training at BDC Supply!

## 2 Day Epoxy, Metallic & Micro Topping Training Class

Take old or new concrete and turn it into something beautiful with SureCrete's decorative flooring systems! These systems allow structurally sound concrete to be restored with a new beautiful, durable, and low maintenance finish. This class features SureCrete's Epoxy, Metallics, Micro Topping, Eco-Stains and high performance sealers. The "Hands ON" training will teach you how to prepare and install these flooring systems professionally. Space is limited so sign up today!

### Date:

*Thursday October 24th 8:30am-4:30pm*

*Friday October 25th 8:30am-4:30pm*

### Cost:
